## 3RD INTERNATIONAL CONFERENCE FOR

### FOOD SAFETY/QUALITY

ORGANIZED BY FOODHACCP.COM

# Food Industry's Actions for Food Safety

OCTOBER 8-9, 2008

SOUTH SAN FRANCISCO  
CONFERENCE CENTER

SALON F-J

For more information, visit

<http://www.foodhaccp.com/conference08>

Major Sponsor

## PROGRAM

The technical program consists of lectures/discussions on foodborne pathogens, toxins, safety, quality and shelf-life issues by speakers from academia, industry, and regulatory agencies.

Topics include:

- Food safety and biosecurity
- Strategies for controlling pathogens
- Food safety objectives
- Role of microbiology (rapid methods) in HACCP
- Validation of microbiological methods
- Developments in immunoassays for detection of pathogens and toxins
- PCR technology and molecular methods for rapid detection
- Predictions for future developments in rapid microbiology

## WHO SHOULD ATTEND?

Anyone interested in a small, interactive program where you can learn from your colleagues.

- Food scientists and technologists
- Quality assurance supervisors, managers, and technicians
- Food laboratory directors, managers, and technicians
- Microbiologists and chemists involved in food quality assurance
- Regulatory agency personnel and advisors
- Consultants and researchers involved in food safety and quality
- University professors, graduate, and undergraduate students interested in food microbiology

## KEYNOTE SPEAKERS

Daniel Y. C. Fung  
Professor, Dept. of Animal Science & Industries  
Kansas State University

**Topic: Detection Methods for Food Safety and Quality**

William D. Marler, Esq.  
Marler Clark Attorneys at Law

**Topic: Foodborne Illness CSI: Cracking the Legal Code**

## KEY SPEAKERS

Stan Bailey  
Microbiologist, bioMerieux  
President, IAFP (2008)

Bethann Crozier-Dodson  
Assistant Director, Rapid Methods and  
Automation in Microbiology Workshop  
Kansas State University

Robert E. Koeritzer  
3M Microbiology Products  
President, AOAC International (2005-2006)

Paul Hall  
Vice President, ConAgra Foods, Inc.  
President, IAFP (2004-2005)

Craig Henry  
Senior Vice President, GMA/FPA

Maha Hajimeer  
Research Scientists  
California Dept. of Public Health

Dong-Hyun Kang  
Associate Professor, Washington State University  
Director, National Alliance for Food Safety and  
Security Detection Center

## KEY SPEAKERS

Ann Marie McNamara  
Vice President, Silliker, Inc

Indaue Mello-Hall  
Senior Microbiologist, Pepsi Co.

Jenny Scott  
Vice President, FPA  
President, IAFP (2000=2001)

## LOCATION

South San Francisco  
Conference Center  
225 South Airport Boulevard  
South San Francisco, CA  
94080-6703  
Phone: 605-877-8787  
Fax: 650-877-5356
